Treasurer's Report:

Market Day brought in \$230.

Our membership went up this past month.

We spent \$344 on 5th grade field trip transportation. We spend a lot of money on field trip transportation. We are close on the budget for field trips.

Due to a snow day we had to cancel the Health and Wellness Expo. We had spent \$200 on Vitamix ingredients and food. They are giving us back \$90.

Mr. Bernacki:

Thank you for being here.

We are celebrating the Indians Home Opener. The grill is here and we are grilling hot dogs for lunch.

We still do not have anything in place for the snow days. Board is up in the air about what to do. As soon as we know anything we will let you know. If we go longer, we will change field day. The state will allow us to complete 3 blizzard bags but there is a time constraint. All other districts already have their plan in place. It does not look like we will extend the school day due to busing.

Report cards are going to come home on Monday, April 7th.
