

Reach for the Stars with Box Tops!

It's time to scan your grocery receipts to help earn money for our school!

Jan 13th- March 17th

New this year Digital Box Tops

If your product has a digital box top, just scan your grocery receipt with the new box top app and the funds are applied to our school! It's fast and easy! See the back of this sheet for more info!

TWO FUN WAYS TO WIN!

1. Our whole school goal for this contest is 3,000 Box Tops Digital or Clips. If we reach our goal the whole school will have a popcorn party at lunch!
2. Scan your grocery receipt and push the "give credit" button (star at the bottom of the scan screen) to type in your name and teacher to get credit for your submission. Each student that does will receive a star on the bulletin board and be entered to win prizes!

Still got clips? Send them in – they will count towards our goal of 3,000

We love Tyson labels too, send them in with your box tops!

**Contest Runs
from Jan. 13th –
March 17th**

**If the whole
school collects
3,000, everyone
gets popcorn!**

**Download the new
app and scan your
receipt with the
new give credit
feature - type in
your name and
teacher and get a
star with your
name on it and be
entered in a raffle
to win prizes!**
