## WELCOME BACK TO SCHOOL!

Welcome to the start of another great school year at RC Lindsey Elementary! We know that there are a lot of unknowns when it comes to the year ahead but rest assured that, as a PTO, we are working hard to enrich the experiences of our students, parents, teachers and staff in ways old and new.

New to Lindsey Elementary? You are invited to attend our ZOOM PTO meeting on September 11 at 9:15 AM (NEW time). You can find the link on our website. Can't make it? Please reach out ([www.rclindseypto.org](http://www.rclindseypto.org)) – there are opportunities for everyone. Come join the fun!

### FIRST DAY CHALK ART

We are looking for volunteers to help us welcome back our students in style! We will decorate the sidewalk with positive messages for our students as they embark on the first day of in-person learning and plan to meet at the school on September 7 from 6-8PM (weather permitting). Adults only, no students, please. Social distancing required. Bring sidewalk chalk if you have it. Please contact Nicki Mikolay ([stasnic@hotmail.com](mailto:stasnic@hotmail.com)) the chair of the first-day greeters committee, for more info.

### LAPS 4 LINDSEY 2020 READING EDITION!

We are excited to announce a special read-a-thon format for 2020! Be on the lookout for an email with all of the details soon.

### HELP PLAN THE FUTURE OF THE PTO

We are looking for parents from both schools to join a committee that will work to design a new structure for the combined West Geauga Elementary PTO, launching for the 2021-2022 school year! For more information attend our 9/11 meeting and contact Michelle Wiece at [mwiece@gmail.com](mailto:mwiece@gmail.com).
