

Lindsey Elementary Yearbook Photo Request

We need your best digital photos to be used in the
Lindsey Elementary School 2020/21 Yearbook

Help us get creative about how to document this
crazy year! Although we weren't able to have our
traditional in-school group activities, so much still
happened this year that we want to share in our
yearbook. We are looking for help from all of you.

Share your photos of how you made this year
special. This could include pictures of:

Learning in School
Learning at Home
Trips around town or beyond

Picture with Masks
Pictures without Masks
Special Days or Events

We will include your best photos in our yearbook
and some may even decorate the cover!

To be considered for inclusion, each photos must be titled:
Student Name_Grade_Homeroom teacher_Picture subject
[e.g. *Jasper Reich_5_Coletta_Halloween*]

Please email photos to Mr. Reich at
dan.reich@westg.org

Or drop them into our yearbook gallery using this link
